Cl. 13 _____

Fasc. 2020-III/13.7

N. Allegati 3 _

Rif. _____

db/rb/LG

Subject: Notice of competition for the award of a scholarship for research activities on the subject “Mind-heart axis in the working and adult population: role of occupational and cardiovascular risk factors” - scientific director Prof. Giovanni Veronesi.

THE DIRECTOR OF THE DEPARTMENT

- Following the Statutes of the University;
- Following the Decree of the Rector of the University of Insubria dated July 22nd 2016, No. 570 establishing the Department of Medicine and Surgery;
- Following the University Regulations for Administration, Finance and Accounting of the University of Insubria, issued by Rectoral Decree no. 1343 of November 7th 2013, in force since 1 January 2014;
- Following the Rules for the award of scholarships for research activities issued by Rectoral Decree no. 538 of 22 May 2013, in force since June 6th 2013;
- Considering Prof. Giovanni Veronesi's request for the establishment of the research grant: “Mind-heart axis in the working and adult population: role of occupational and cardiovascular risk factors” with a twelve-month duration;
- Considering Art. 18, paragraph 5, of Law 240/2010 as amended by Decree Law 5 of 9 February 2012, converted into Law 35 of 4 April 2012;
- Following the Decree of the Director of the Department of Medicine and Surgery no. 438 of 22 September 2023 that has approved both the establishment of the scholarship for research activities and the funds on which the grant will be charged;

DECREES

1. The announcement of a selection by qualifications and possible interview for the award of the research activities scholarship: “Mind-heart axis in the working and adult
