# PhD MMED | Academic Calendar

Courses, seminars and doctoral activities | October-December 2026

## October 2026

---

### Monday, 19 October

**13:00-14:00 PHD MMED SEMINAR | Structuring Effective Climate Change Agreements Through Perfect Procedures: An Experimental Approach** - Klaudijo Klaser

University of Trento | In person: Padiglione Monte Generoso (2MTG; room TBA in invitation)

**Join on Microsoft Teams**

---

### Wednesday, 21 October

**13:00-14:00 INEXEC SEMINAR | Inequality by Selection: The Case of Consistency** - Irenaeus Wolff

Room 13, Padiglione Monte Generoso

**Join on Microsoft Teams**

---

# November 2026

### Friday, 6 November

**15:30-17:00 MEETING | Welcome meeting for new PhD students**

In person | Room 5 MTG

### Tuesday, 10 November

**13:00-18:00 CLASS | Stata Laboratory for Financial and Economic Analyses** - Tanda

In person | Room 13 MTG | Bring your own laptop if available

**Join on Microsoft Teams**

### Friday, 13 November

**14:30-16:30 CLASS | Applied Econometrics** - Vezzulli

**Lecture 1 | In person | Room 13 MTG**

### Tuesday, 17 November

**13:00-18:00 CLASS | Stata Laboratory for Financial and Economic Analyses** - Tanda

In person | Room 4 TM (Morselli) | Bring your own laptop if available

**Join on Microsoft Teams**

### Wednesday, 18 November

**12:30-13:30 PHD BROWN BAG SEMINAR | Get in Line: How Rising GP Caseloads Ration Patient Care** - Andrea Riganti

In person | Room TBA

### Thursday, 19 November

**10:00-13:00 CLASS | Applied Econometrics** - Vezzulli

**Lecture 2 (part 1) | In person | Room 15 MTG**

**14:00-18:00 CLASS | Introduction to MATLAB** - Moretto

### Friday, 20 November

**09:00-13:00 CLASS | Introduction to MATLAB** - Moretto

**14:30-17:30 CLASS | Applied Econometrics** - Vezzulli

**Lecture 2 (part 2) | In person | Room 15 MTG**

### Tuesday, 24 November

**10:00-13:00 CLASS | Transport Decision Making & Sustainability** - Elena Maggi

A theoretical introduction on transport economics and transport externalities | Room 11, Padiglione Antonini | Online for PhD SDC students

**14:30-17:30 CLASS | Applied Econometrics** - Vezzulli

**Lecture 3 | In person | Room INFO 2 MTG**

---

### Thursday, 26 November

**10:00-13:00 CLASS | Transport Decision Making & Sustainability** - Luca Congiu

Discrete choice experiments in transportation | Room INFO2, MTG Building | Online for PhD SDC students

**14:30-17:30 CLASS | Applied Econometrics** - Vezzulli

**Lecture 4 (part 1) | ONLINE (joining link not provided) | Room 15 MTG also listed**

---

### Friday, 27 November

**12:00-13:00 PHD MMED SEMINAR | Title TBA** - Celeste Maffezzoni

Online

**14:30-17:30 CLASS | Applied Econometrics** - Vezzulli

**Lecture 4 (part 2) | In person | Room 15 MTG**

---

### Monday, 30 November

**10:30-12:30 CLASS | Applied Econometrics** - Porro

In person | Room 1 MTG

**14:00-16:00 CLASS | Applied Econometrics** - Porro

In person | Room 1 MTG

---

# December 2026

### Tuesday, 1 December

**10:00-13:00 CLASS | Transport Decision Making & Sustainability** - Jurgena Myftiu

Behavioural and Psychological Determinants of Sustainable Transport Choices | Room 11, Padiglione Antonini | Online for PhD SDC students

**14:30-17:30 CLASS | Applied Econometrics** - Vezzulli

**Lecture 5 | In person | Room INFO 2 MTG**

### Wednesday, 2 December

**14:30-17:30 CLASS | Transport Decision Making & Sustainability** - Elena Maggi

Complexity Theory and Agent-Based Models in Transportation | Room INFO2, MTG Building | Online for PhD SDC students

### Thursday, 3 December

**All day CLASS | AB-SFC Introduction** - Caverzasi

9:30-13:30 indicated in the event title; calendar time field: all day

### Friday, 4 December

**10:00-14:00 CLASS | Applied Econometrics** - Castelnovo

### Thursday, 10 December

**All day CLASS | AB-SFC Introduction** - Caverzasi

9:30-13:30 indicated in the event title; calendar time field: all day

### Friday, 11 December

**All day CLASS | AB-SFC Introduction** - Caverzasi

9:30-13:30 indicated in the event title; calendar time field: all day

### Monday, 14 December

**09:00-14:00 CLASS | Advances in Mathematics** - Tarsia

### Tuesday, 15 December

**09:00-14:00 CLASS | Advances in Mathematics** - Tarsia

**15:00-18:00 CLASS | Applied Econometrics** - Sonedda

**Wednesday, 16 December**

**09:00-14:00 CLASS | Advances in Mathematics** - Tarsia

---

**Thursday, 17 December**

**10:30-13:30 CLASS | Applied Econometrics** - Sonedda

---
