Chiara Gigliarano

Curriculum Vitae

General Information

Address	Dipartimento di Economia, Università degli Studi dell'Insubria
	via Monte Generoso, 71 - 21100 Varese, Italia
E-mail	chiara.gigliarano@uninsubria.it
Phone	+39 0332 395556
Fax	+39 0332 395509
Date of birth	April 18, 1979
Place of birth	Rho (MI), Italy
Nationality	Italian
Gender	Female

Present positions

1 May 2017 - today
Associate Professor in Economic Statistics (s.s.d. Statistica Economica- SECS-S/03). Department of Economics, Università dell'Insubria, Varese, Italy.

January 2008 - today
Teaching Fellow. Department of Decision Sciences, Bocconi University, Milan, Italy.

August 2018
Achieved the certification for full professor in Economic Statistics ("Conseguimento dell'abilitazione scientifica nazionale alle funzioni di professore universitario di prima fascia in Statistica Economica s.s.d SEC-S/03 (D2)")

Past positions

1 January 2016 - 30 April 2017
Assistant Professor in Statistics (Ricercatrice confermata, s.s.d. Statistica - SECS-S/01). Department of Economics, Università dell'Insubria, Varese, Italy.

December 2010 - December 2015
Assistant Professor in Statistics (Ricercatrice confermata, s.s.d. Statistica - SECS-S/01). Department of Economics and Social Sciences, Università Politecnica delle Marche, Ancona, Italy.

June 2007 - December 2010
Postdoctoral Fellow in Statistics. Department of Economics and Social Sciences, Università Politecnica delle Marche, Ancona, Italy.

Education

September 2003 - September 2006
Ph.D. in Statistics. Passed final examination on April 16, 2007.
Bocconi University, Milan, Italy.

September 1998 - April 2003
Degree in Economics and Social Sciences (grade: 110/110 magna cum laude).
Bocconi University, Milan, Italy.

Research Projects and Collaborations

October 2021 -
Principal Investigator of the Project "POST-COVID: POverty and vulnerability Scenarios in The era of COVID-19. How the pandemic is affecting the well-being of the Italians", funded by Fondazione Cariplo (grant: 123.550,00 euro).

January - May 2020
Principal Investigator of the Project "Measuring equitable and sustainable well-being in the Province of Varese", funded by Fondazione Valcavi (grant: 3.000,00 euro).

October 2016 - March 2017
Consultant at World Bank Group. Main activities: data analysis for poverty targeting in Niger (project leader: T. Beltramo).

July 2016 - December 2016
Collaboration with FISDE (Fondo Integrativo Sanitario Dirigenti Eni). Main activities: evaluating the economic sustainability of FISDE Long Term Care services (project leader: C. Gigliarano).

Giugno 2015-Novembre 2015
Participating at the European project *Tax Shifting of Direct and Indirect Taxation in Italy and Spain* (with F. Figari e C. Fiorio).

February 2015 - June 2015
Consultant at World Bank Group. Main activities: analyzing the welfare of the Syrian Refugees in Lebanon and Jordan (project leader: P. Verme).

June 2013 - October 2013
Participating at the European project *Intermodal* (INTERmodality MOdel for the Development of the Adriatic Littoral zone), funded by the European Commission (IPA Adriatic Cross-border Cooperation Programme). Main activities: data analysis, sampling design and questionnaire elaboration for Conerobus S.p.A.

May 2009 - 2015
Participating at the European project of research and development *EUROMOD Updating*, funded by the European Commission (Seventh Framework Programme). Main activities: constructing a tax-benefit model for Italy.

2012 - 2015
Participating at the European project *E-Frame* (European Framework for Measuring Progress) funded by the European Commission (Seventh Framework Programme). Main activities: providing a state-of-the-art in research on alternative measures to GDP.

October - November 2010
Consultant at NEXTBIT s.r.l., Milano, Italy. Main activities: implementing an analytical model for classification and prediction.

October 2006- January 2009
Participating at the European project of research and development *AIM-AP* (Accurate Income Measurement for the Assessment of Public Policies), funded by the European Commission (Sixth Framework Programme). Main activities: investigating the distributional effects of particular non-cash components in Italy.

Visiting periods

21 September -3 October 2015
At PEARL Institute for Research on Socio-Economic Inequality, University of Luxembourg.

1-30 March 2015
At PEARL Institute for Research on Socio-Economic Inequality, University of Luxembourg.

24 June 2014- 4 July 2014
"InGRID" visiting period at Institute for Social and Economic Research (ISER) - Essex University, UK.

20 January 2014- 9 February 2014
Visiting period at the Department of Statistics and Econometrics. University of Cologne, Germany.

June 2005 - July 2006
Visiting scholar at the Department of Statistics and Econometrics.
University of Cologne, Germany.

Lecturing Experience

- **Università degli Studi dell'Insubria, Varese, Italy**

  A.Y. 2020/21
  Lecturer of the course in Fondamenti di Data Analytics (Module 1) for the Bachelor in Economics and Management.

  A.Y. 2015/16- -2020/21
  Lecturer of the course in Statistica for the Bachelor in Economics and Management (Diurno and Part-Time).

  A.A. 2018/19-2020/21
  Course in Multidimensional approaches for measuring well-being and poverty at PhD in Methods and Models for Economic Decisions.

  A.A. 2016/17 - 2017/18
  Seminars at PhD in Methods and Models for Economic Decisions.

  A.Y. 2013/14
  Lecturer of the course in Statistica for the Bachelor in Economics and Management (Diurno).

- **Bocconi University, Milan, Italy**
  A.Y. 2017/18-2020/21
  Lecturer of the course in Statistics (Module 1) for the Bachelor in Economics and Social Sciences.

  A.Y. 2014/15 - 2016/17
  Lecturer of the course in Introductory Econometrics for Business Studies (in English) for the Ph.D. in Business Administration and Management and for the Ph.D. in Public Policy and Administration.

  A.Y. 2011/12 - 2013/14
  Lecturer of the Precourse in Probability (in English) for the Ph.D. in Business Administration and Management.

  A.Y. 2009/10 - 2016/17
  Lecturer of the course in Quantitative Methods for Social Sciences for the Bachelor in Economics and Social Sciences.

  A.Y. 2007/08 - 2009/10, 2012/13 - 2015/16
  Lecturer of the preparatory course in Statistics (in English) for the Master of Science in Economics and Social Sciences.

  A.Y. 2008/2009
  Lecturer of the course in Advanced Statistics for Economics and Social Sciences (in English) for the Master of Science in Economics and Social Sciences.

  A.Y. 2006/2007
  Teaching assistant for the course of Statistics for the Bachelor of Business Administration and Management.

- **Università Politecnica delle Marche, Ancona, Italy**
  A.Y. 2009/10 - 2017/18
  Lecturer of the course in Business Statistics (in English) for the Master of Science in International Economics and Business.

  A.Y. 2011/12 - 2015/16

Lecturer of the courses in Statistics II for the Master of Science in Finance.

A.A. 2014/15 - 2015/16
Lecturer of the course in Methodology for Statistical Research for the Ph.D. in Management and Law.

A.Y. 2011/12
Lecturer of the course in Mathematics (in English) for the Ph.D. in Economics.

A.Y. 2010/11, 2013/14-2014/15
Lecturer of the course in Bayesian Statistics (in English) for the Ph.D. in Economics.

A.Y. 2008/2009
Lecturer of the course in Statistics for the Bachelor in Social Services.

A.Y. 2007/2008
Lecturer of the course in Analysis of economic and social phenomena using multivariate and Bayesian Statistics (in English) for the Ph.D. in Economics.

- **Other**
  A.A. 2014/15
  Lecturer of the course "Corso R. Elementi di statistica descrittiva e analisi multivariata con R" at ISTAT - Sede per le Marche, Ancona, Italy.

  A.Y. 2013/14 - 2015/16
  Lecturer of the course in Introduction to Statistics at the PhD in Urban Studies, Gran Sasso Science Institute, L'Aquila, Italy.

  A.Y. 2011/12 - 2012/13
  Lecturer of the course in Statistics at MSc in Public Finance, Scuola Superiore dell'Economia e delle Finanze "Ezio Vanoni", Milan, Italy.

  A.Y. 2011/12
  Lecturer of the course "Corso introduttivo e di programmazione con l'applicativo statistico R" at ARPAM (Agenzia Regionale per la Protezione Ambientale delle Marche), Ancona, Italy.

  A.Y. 2009/10
  Lecturer of the course "La rilevazione continua delle forze lavoro: la formazione degli operatori all'utilizzo del software SPSS". Marche Region P.A., Ancona, Italy.

  A.Y. 2007/08-2009/10
  Lecturer of the course on "Descriptive Statistics and Epidemiology for the Master in Nursing Management", Policy and Leadership. Tor Vergata University, Rome, Italy.

Conference Talks and Presentations

2021

- 50th SIS Meeting, University of Pisa

- 9th ECINEQ Meeting, LSE, London

2020

- International Conference on Distributions and Inequality Measures in Economics, Università Bicocca Milano

  2019

- 56th Scientific Meeting of the Italian Society of Economics, Demography and Statistics (SIEDS), Ascoli Piceno.

- Invited Speaker at the Scientific Meeting of the Italian Society of Economics (SIE), Palermo.

- Invited Speaker at 5th edition of Statisticall, "Festival della Statistica e della Demografia",Treviso.

2017

- Scientific Meeting of the Italian Statistical Society (SIS) on "Statistics and data science: new challenges, new generations", University of Florence.

2016

- Conference on Computational Intelligence methods for Bioinformatics and Biostatistics (CIBB2016), University of Stirling, UK.

- Invited speaker for the International GIS Day 2016 on "Modelli statistici e strumenti GIS per l'analisi del benessere e della povertà", University of Teramo, Italy.

- Invited speaker for the conference "Misurare il benessere dei territori: il contributo del Bes delle province", ISTAT, Roma.

- Invited speaker for the 53th Scientific Meeting of the Italian Society of Economics, Demography and Statistics (SIEDS), Universit à Internazionale di Roma.

2015

- 6-th ECINEQ (Society for the Study of Economic Inequality) Conference, University of Luxembourg.

- Invited speaker for a SEMILUX (Luxembourg seminar on social inequalities and public policies), University of Luxembourg.

- Conference of the Italian Statistical Society (SIS) on "Statistics and Demography: the Legacy of Corrado Gini", Treviso.

2014

- Invited speaker for a Seminar at the Business School, University of Edimburgh, UK.

- Seminar at Department of Econometrics and Social Statistics, University of Cologne, Germany.

- 51-st Scientific Meeting of the Italian Society of Economics, Demography and Statistics (SIEDS), Naples, Italy.

- InGRID Seminar at ISER, Essex University, UK.

- 27-th International Biometric Conference, Florence, Italy.

- 8th International Conference on Computational and Financial Econometrics and 7th International Conference of the ERCIM WG on Computational and Methodological Statistics, Pisa University, Pisa, Italy.

2013

- 7th International Conference on Computational and Financial Econometrics and 6th International Conference of the ERCIM WG on Computational and Methodological Statistics, Senate House, University of London, London, UK.

- Workshop on "New National Accounts Architecture", e-Frame Project, Bucarest, Romania.

- 5-th International Congress "Sustainable Tourism Development and Environment: Innovation, Competitiveness and International Cooperation", Suzhou, Jangsu, People Republic of China.

- Invited speaker at the 50-th Scientific Meeting of the Italian Society of Economics, Demography and Statistics (SIEDS), Rome, Italy.

- 5-th Conference of the Society for the Study of Economic Inequality (ECINEQ), Bari, Italy.

- Invited speaker at "La Giornata Italiana della Statistica" on "La misura del benessere in Italia: il ruolo della statistica, Pisa University, Pisa, Italy.

2012

- Invited speaker at the workshop on "The Impact of Statistical Thinking on Economics and Life Sciences", Bocconi University, Milan, Italy.

- 46-th Scientific Meeting of the Italian Statistical Society (SIS), Rome, Italy.

- 49-th Scientific Meeting of the Italian Society of Economics, Demography and Statistics (SIEDS), San Benedetto del Tronto (AP), Italy.

- Seminar at the Faculty of Statistics, Università La Sapienza, Rome, Italy.

- "Methods and Models for Latent Variables", Final Conference of PRIN 2008, University of Naples Federico II, Italy.

2011

- 5-th GRASS ("Gruppo di Ricerca per l'Analisi delle Scelte Sociali") Meeting, Venezia, Italy.

- 4-th Conference of the Society for the Study of Economic Inequality (ECINEQ), Catania, Italy.

- 48-th SIEDS Scientific Meeting, Università La Sapienza di Roma, Italy.

- Workshop on"Equality of opportunity: concepts, measures and policy implications", Università La Sapienza, Roma, Italy.

- Workshop "Enhancement and Social Responsibility of Official Statistics", Università Europea di Roma, Italy.

2010

- 4-th GRASS meeting, Università degli Studi di Modena e Reggio Emilia, Modena, Italy.

- 32-th General Conference of the International Association for Research in Income and Wealth (IARIW), St. Gallen, Switzerland.

- 10-th International Meeting of the Society for Social Choice and Welfare State University - Higher School of Economics Moscow, Russia.

- 47-th SIEDS Scientific Meeting, Università degli Studi di Milano-Bicocca, Italy.

- Workshop "Tariffe e prezzi nelle Marche: Implementazione di un sistema di monitoraggio", Università Politecnica delle Marche, Ancona, Italy.

2009

- Workshop on "Inequality Measurement", Department of Economics, University of Siena, Italy.

- Workshop on "Popolazione, sviluppo e ambiente nel Bacino mediterraneo e in America latina" , Università degli Studi di Milano and Università degli Studi di Bari, Italy.

- 46-th SIEDS Scientific Meeting, Università degli Studi di Firenze, Italy.

- "VII International Conference on Social Science Methodology-RC33 Logic and Methodology in Sociology", Federico II University, Naples, Italy.

2008

- 10-th IARIW General Conference, Portoroz, Slovenia.

- 45-th SIEDS Scientific Meeting, Bari University, Italy.

- International workshop on "An Opportunity for Equality of Opportunity" at Sacro Cuore Catholic University, Milan, Italy.

2007

- 2-nd ECINEQ Conference, Berlin, Germany.

2006

- Seminar at Department of Econometrics and Social Statistics, University of Cologne, Germany.

Honors

- Substitute of the nominated representative of the Italian Ministry of Education in the Central Cadastre Committee ("Componente supplente nella Commissione Censuaria Centrale"), Roma, 2016.

- Grant for research funded by the Italian Ministry for Research and Universities, 2017 (grant: 3.000,00 euros)

- "InGRID" visiting grant (funded by the European Commission 7th Framework Programme) for a 15 days visiting period at ISER, Colchester, UK, 2014.

- Visiting grant funded by Università Politecnica delle Marche for a 2 months visiting period at University of Cologne, Germany, 2013.

- Three years (2007-2010) fellowship for attending the Ph.D. Programme in Statistics, Bocconi University.

- "Dott. C. Manzoni 2001-2002" Prize for the best dissertation in Public Economics, Bocconi University, Milan.

Reviewer

- Referee for the following international and national scientific journals: Journal of Public Economic Theory, Journal of Economic Inequality, Journal of Small Business Management, Metron, Review of Income and Wealth , Social Choice and Welfare, Social Indicators Research, Statistics and Probability Letters, Statistical Methods and Applications, International Journal of Microsimulation, Rivista Italiana di Economia, Demografia e Statistica, Rivista Italiana degli Economisti.

Member of Editorial Board and PhD Board

- Guest Editor for the Special Issue on "Well-being and territories: methods and strategies" of Social Indicators Research

- Rivista Italiana di Economia, Demografia e Statistica (Editor-in-Chief, since September 2017)
